Overnight Wireless
HUN FRIGHTFULNESS TAKES MANY LIVES
(Associated Press by U. S. Naval Wireless.)
LONDON, Eng., Oct. 16.—The torpedoing of an unnamed steamer with the death of every person aboard with one exception and the destruction by shell fire of the lifeboats of an Italian steamer are two outstanding features of the submarine news made public yesterday.
The sole survivor of the steamer sunk in British waters is Charles Gordon of Philadelphia. Among his shipmates drowned were one other American and five Filipinos, the latter members of the crew. No details of the sinking are given out.
The Italian ship torpedoed with accompanying savagery was the Bari. Among her passengers were a number of Greek officials, all of whom are among the missing. After the passengers and crew of the Bari had taken to the lifeboats, following the attack on their ship, the submarine crew opened fire upon the small boats, smashing many of them, killing some of those in the boats with their shells and allowing the others to drown.

TEUTONS FORCE LANDING ON ISLAND OF OESSEL
(Associated Press by U. S. Naval Wireless.)
NEW YORK, N. Y., Oct. 16.—The Germans yesterday succeeded in gaining a foothold on the island of Oesel in the Gulf of Riga, where they captured the capital, Arenburg, the Russ forces falling back before them. The Teutons have not, however, succeeded in making a landing on the Esthonia mainland.
Oesel is an island of Esthonia, south of Dago Island, where the German fleet was badly shattered on Monday. Advice says that the German fleet has not succeeded in penetrating the Gulf
